

## Final External Auditor Report and Certificate 2022/23 in respect of Glaphorn Parish Council NH0098

### Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### External auditor's limited assurance opinion 2022/23

On 25 September 2023, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2023. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR.

- Section 2, Box 8 does not agree to the bank reconciliation as it would appear that an unrepresented cheque amounting to £72 has not been accounted for on the AGAR. The figures in Boxes 6, 7 and 8 for the current year should read £39,616, £9,345 and £9,345 respectively.
- Section 2, Box 10 for the current year is incorrect due to an inputting error and should read £56,077

The smaller authority has failed to follow proper practices as it has completed, authorised and submitted an AGAR Form 3PM intended for use by Parish Meetings only, rather than an AGAR Form 3.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2023/24 for the exercise of public rights, since the period for the exercise of public rights did not include the first 10 working days of July. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2023/24 and ensure that it makes proper provision for the exercise of public rights during 2024/25.

In completing an AGAR Form 3PM rather than an AGAR Form 3, the smaller authority has not provided the additional information required for AGAR Form 3 in respect of responses to Assertion 9 on the Annual Governance Statement and Boxes 11 (a) and (b) on the Accounting Statements.

In the completion of their detailed report, the internal auditor has drawn attention to weaknesses in relation to agendas and minutes, VAT and certain information missing from the website. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

### **External auditor certificate 2022/23**

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
